

# Downtown Security Alliance

Strengthening the communication among private security entities, downtown stakeholders and LBPD.

10 AM, Thursday, March 18, 2010

Landmark Square

111 W. Ocean Boulevard, Ste. 1570

Please check in with Security

Guest Speaker Auty Moayeri, Southern California Sales Manager with Vision Communications will speak on the FCC rules and regulations relative to existing analog equipment and future mandates.

Moayeri will also provide information on the benefits of digital radios and how it differs from analog. Find out why more and more security companies are moving toward the new technology.

For more information, please contact  
Mary Coburn, DLBA Operations Manager
